## **ACKNOWLEDGEMENTS**

Alhamdulillah, praise upon Almighty and Merciful Allah S.W.T, for His will, this thesis is successfully completed. At the end of my thesis I would like to thank all those people who made this thesis possible and enjoyable experience for me.

First of all, I owe much to Captain Noor Apandi bin Osnin, as my supervisor for his suggestions, cooperation and willingness to guide me throughout the duration of my research. All your support, motivation and consideration are greatly appreciated deep in my heart and will become my precious treasure in the future. Many thank to the port (JPB and PTP) representatives for their willingness to assist me for the completion of this thesis.

Special thank to my friends from Bsc. Nautical Science and Maritime Transportation who gave the supportive words and cooperation while this research project in progress. Last but not least, to my deepest gratitude and special appreciation to my family especially to my father, Rhazif bin Safperwan, my mother Norhayati binti Sanap and my brothers, who encouraged and supported me during my study. Thank you very much.

## **PEMINDAHAN OPERASI KONTENA TERMINAL DARI JPB KE PTP**

### **ABSTRAK**

PTP dan JPB dimiliki oleh MMC Corp BHD. PTP merupakan pelabuhan yang membangun dalam bidang operasi kontena di Malaysia. Cadangan oleh MMC Corp. Bhd iaitu menyelaraskan operasi antara kedua-dua pelabuhan dimana pelabuhan PTP menumpukan operasi kontena manakala JPB adalah sebagai pelabuhan pukal cerai. Masalah ini timbul apabila MMC Corp Bhd mencadangkan untuk menyelaraskan antara kedua-dua pelabuhan tersebut dimana ianya adalah untuk meningkatkan persaingan kedua-dua pelabuhan supaya dapat mengurangkan tumpuan pengaliran kargo-kargo ke pelabuhan-pelabuhan lain disekitar rantau ini. Kajian ini memberi gambaran menyeluruh tentang isu ini dimana skop kajian akan ditumpukan kepada JPB, PTP dan perkhidmatan pengangkutan yang wujud di kedua-dua pelabuhan tersebut. Kajian ini adalah untuk mengkaji bahawa perlunya pelan konsolidasi dan juga mengkaji halangan yang bangkit untuk membuat pelan konsolidasi dan mencadangkan beberapa pendekatan untuk menjadi penyelesaian kepada isu tersebut.

## **SHOULD CONTAINER TERMINAL OPERATION AT JPB BE TRANSFER TO PTP**

### **ABSTRACT**

Both PTP and JPB are owned by MMC Corp Bhd. PTP is a leading port in container operation in Malaysia. The propose by MMC Corp Bhd. which is to streamline operations at the two ports which the plan had been to have PTP focus on containerised cargo, while JPB would handle bulk traffic. This issue arise when MMC corp proposed to rationalise between the two ports which is to increase the competitiveness of each port to reduce the cargo leakages to the others port within the region. This paper provides an overview on this issue which the scope of study will focus on JPB, PTP and haulier service that serve both port. This research is a study to provide review which show that the need of the consolidation plan is vital and review on the problem arise for the consolidation plan to take place and propose solution to overcome it.
